

Core Science Classes

List of Topics covered and the Key Concepts taught through Experiments

 Basic Chemistry 1	 Basic Chemistry 2	 Nutrition in Plants	 Nutrition in Animals & Humans	 Respiration in Organisms	 Time & Motion
 Heat 1	 Heat 2	Classes 7 20 Sessions		 Reproduction in Plants 1	 Reproduction in Plants 2
 Changes in Matter 1	 Changes in Matter 2			 Acid, Bases & Salts 1	 Acid, Bases & Salts 2
 Transportation in Plants, Animals 1	 Transportation in Plants, Animals 2			 Light	 Refraction & Dispersion of Light

Other Workshops

MODEL-MAKING

Try out science concepts to see how things work. Make working models and carry them home!

ROBOTICS & AI

Make projects using cool technologies, having exciting real world applications!

AN IIT - IIM ALUMNI VENTURE

For more information, Call us or Whatsapp @ 8826130170

GEETANJALI ENCLAVE, NEW DELHI
NR. MALVIYA NAGAR METRO STATION
PHONE : +91-8826-130-170

Core Science Classes

List of Topics covered and the Key Concepts taught through Experiments

 Crop Production & Nitrogen Fixation 1	 Crop Production & Nitrogen Fixation 2	 Synthetic Fibers & Plastics	 Microorganisms 1	 Microorganisms 2	 Coal & Petroleum
 Combustion & Flame 1	 Combustion & Flame 2	Classes 8 20 Sessions		 Reproduction in Animals 1	 Reproduction in Animals 2
 Refraction & Dispersion of Light 1	 Refraction & Dispersion of Light 2			 Chemical Effects of Electric Current 1	 Chemical Effects of Electric Current 2
 Metal & Non-Metal	 Force & Pressure 1			 Force & Pressure 2	 Friction
